3. As there seems to be no objection to grant the same, a Statement is submitted for sanction together with the Vernacular papers on the subject.

In reply to his docket No. 45-37/184 dated 20th September last, has the honor to inform that the applicant Seshappa is the brother of Hanmanthia who left no issue and the Inam consequently was transferred to Seshappa. As regards queries (2) and (3) it appears that the capacity of the Hullur tank has not been increased, but the Inam was always liable to submersion, as it is situated in the tank bed. It used to be cultivated for Vysakhi only when the Hullur tank contained little water and

was irrigated by the Dod Kallurhalli tank. It was on this account the Survey Department appears to have brought it under Kharab.

Sir

I beg to state in reply to your letter No 2005 of the 20th instant that the orders of Govt regarding the preservation of trees are very stringent & it is in my opinion much better that Some Government land should be given in exchange than that the general principle involved in this question should be infringed. as ~~such this ought not~~

Therefore it will

I would therefore request
